## Global Update

- Worldwide, there have been over 136.8 million cases and more than 2.9 million deaths attributed to COVID-19.

## Regional Update

- Malaysian Senior Minister for Security announced on Monday (April 12) that movement control orders (MCOs) will be extended across the country. The states of Johor, Kelantan, Penang and Selangor as well as Kuala Lumpur will remain under the conditional movement control order (CMCO) from April 15 to 28, while Sarawak will continue to be placed under the CMCO from April 13 to 26. The states of Kedah (except in Kuala Muda), Melaka, Negeri Sembilan (except in Seremban), Pahang, Perak, Perlis, Sabah and Terengganu as well as Labuan and Putrajaya, meanwhile, will remain under the recovery movement control order (RMCO) from April 15 to 28. The minister also added that the government had placed Kampung Meruntum, Sabah, under the enhanced movement control order (EMCO) from April 13 to 26 following a rise in COVID-19 cases in the locality.
- Thailand reported on Wednesday (April 14) 1,335 new COVID-19 cases, the biggest daily rise since the start of the pandemic and the third record rise this week.
- Authorities in Laos have ordered the temporary closure of all entertainment venues such as pubs and nightclubs across the country following a recent case of COVID-19 suspected to have been locally transmitted. The measures, which affect entertainment venues nationwide, commenced yesterday and will remain in effect until April 30. Authorities have said travel should be avoided during the Lao New Year if possible, to prevent the spread of COVID-19, and have warned people to adhere strictly to COVID prevention measures, including maintaining social distancing, washing hands with soap or gel, wearing face masks, and regularly checking their temperature. According to a notice issued by the Prime Minister's Office yesterday (April 13) evening, Vientiane Capital has avoided going into full lockdown, however, recent covid prevention measures will still apply.

## Vaccine Update

- Malaysia's Coordinating Minister said on Monday (April 12) that people aged 60 and above will be given the Sinovac vaccine under Phase 2 of Malaysia's national COVID-19 immunisation programme starting on April 19. The COVID-19 Vaccine Access Guarantee Special Committee made the decision after taking into consideration the latest data and data from other countries that showed the Sinovac vaccine is safe, effective and stable for those aged 60 and above. He added that Brazilian clinical trials and papers under review showed that the Sinovac vaccine's secondary efficacy against COVID-19 was 83.7% for moderate cases and 100% for severe cases. Meanwhile, total of 417,470 individuals have received both doses of their vaccine shots under the first phase of the National Covid-19 Immunisation Programme as of Tuesday (April 13). The Health Minister said during the same period that 632,668 individuals received the first dose, bringing the total number of Covid-19 doses administered in the country to 1,050,138.
