

Risk Assessment for International Dissemination of COVID-19 to the ASEAN Region

ASEAN Biodiaspora Virtual Center (ABVC)

as of September 18, 2020 (2:00 PM GMT+8)

COVID-19: Highlights and Situation Overview

- Worldwide, there have been over 30.2 million cases and more than 948,000 deaths attributed to COVID-19.
- According to World Health Organization's (WHO) Director General on September 17, more than 170 countries have joined WHO's COVAX global vaccine plan to help buy and distribute immunization shots for COVID-19 fairly around the world.
- Myanmar authorities are advancing to build a field hospital in the commercial capital of Yangon to cope with a surge of coronavirus infections that doctors fear threatens to overwhelm the country's health system. Three hospitals in Yangon, the site of most of the cases and now under a second lockdown, have been repurposed to treat COVID-19 patients and the government is building a field hospital with 500 beds on a football pitch.
- Indonesia's capital, Jakarta, plans to double its COVID-19 testing capacity in the near future according to the Governor on September 17. Jakarta alone has seen more than 1,000 new daily cases on average this month, more than double the average in the first half of August. Governor Anies Baswedan said in an interview that the city of 10 million was conducting about 50,000 daily coronavirus tests and hopes to "at least reach double from where we are today". He added that the rapid case rise left him no choice but to bring back social restrictions that was eased in June, with limits on commerce, transport and places of worship shall be re-imposed. Indonesia reported 3,635 new infections and 122 deaths on Thursday, taking total cases to 232,628 and fatalities to 9,222, Southeast Asia's most deaths.

Travel Advisories (new update/s)

- Philippines: The Philippines is considering allowing more nurses and other medical professionals to leave for jobs abroad after banning them from travel. The labour minister has proposed to expand exemptions to those who had contracts abroad as of August 31.
- Singapore and Thailand have been added to England's and Scotland's COVID-19 travel list according to authorities on Thursday (September 17). From Saturday (September 19) 4AM UK time, travellers from these countries will no longer have to self-isolate for two weeks upon arrival in England and Scotland.
- Vietnam: The country has postponed the resumption of specific international air routes until further notice as the authorities continue to work on pandemic prevention measures. Vietnam had earlier planned to resume air routes with Guangzhou (China), Seoul (South Korea), Tokyo (Japan), Taipei (Taiwan), Phnom Penh (Cambodia), and Vientiane (Laos) from September 15.
