ASEAN Biodiaspora Virtual Center (ABVC)

as of March 8, 2021

COVID-19: Highlights and Situation Overview

- Worldwide, there have been over 117.6 million cases and more than 2.6 million deaths attributed to COVID-19.
- According to the World Health Organization (WHO) on Friday (March 5), the findings of a WHO-led mission to Wuhan, China to investigate the origins of the virus that causes COVID-19 are expected in mid-March. WHO director-general Tedros Adhanom Ghebreyesus said that everything that happened during the trip will be presented transparently.
- Thailand's government has banned assemblies, protests, and mass gatherings citing fears over COVID-19 spreading. The Royal Gazette, Thailand's official site for publishing new laws and regulations, made the announcement late last night on Friday. The ban is in place for Bangkok and 5 other provinces including Samut Prakan, Samut Songkhram, Pathum Thani, Nakhon Pathom, and Nonthaburi provinces.

Vaccine Update

- Vietnam launched its COVID-19 vaccination programme today (March 8) with healthcare workers first in the queue. Vietnam's government said last month it would acquire 150 million jabs for its COVID-19 vaccination programme, including both those directly purchased and doses obtained via the COVAX vaccine-sharing scheme. Today's shots were part of Vietnam's first batch of 117,600 doses of the AstraZeneca vaccine that arrived late last month.
- Singapore's Ministry of Health (MOH) said that COVID-19 vaccinations for migrant workers in Singapore will begin with 10,000 people living in the country's five largest dormitories starts today (March 8). The vaccinations will be conducted at the five dormitories and according to the MOH, this batch of workers have never been infected by COVID-19. The ministry also announced that later this month, it will offer vaccinations to selected cargo drivers and accompanying personnel who enter Singapore from Malaysia on a regular basis. Also, MOH said that Singapore will bring forward COVID-19 vaccinations for people aged 60 to 69, with those in this age group to receive letters inviting them to register their appointments in the next few days. Meanwhile, according to the Ministry of Education (MOE), the Ministry of Social and Family Development (MSF) and the Early Childhood Development Agency (ECDA), more than 150,000 teachers and other workers in the education sector will be offered COVID-19 vaccinations from Wednesday (March 10). The exercise is in line with the MOH's efforts to extend vaccination to workers who offer essential services.
- The Health Minister said on March 8 that the Special Committee on Ensuring Access to COVID-19 Vaccine Supply (JKJAV) has agreed to get general practitioners in private practice involved in the second and third phases of the National COVID-19 Immunization programme.

Travel Advisories (new update/s)

- Thailand: "Sealed route" set at Bangkok airport for international transfers. International transits and transfers are now allowed at Bangkok's Suvarnabhumi Airport. A so-called "sealed route" is being set up in the airport to ensure the passengers with a layover in Thailand don't come in contact with the other passengers. Passengers need to have the required documents including a fit-to-fly certificate, travel insurance that covers Covid-19 expenses and a negative COVID-19 test result issued no more than 72 hours before departure.
