Travel Advisories (new update/s)

- Laos: Laos has announced it has shortened the required quarantine period for new arrivals from 14 days to just 7 days for certain types of visitors. According to the announcement, government representatives at every level who worked or attended seminars abroad, and Lao nationals who returned from abroad, must take an RT-PCR COVID-19 test and await the result within 48 hours at an approved quarantine location. Those who receive a negative result may then continue quarantine for seven days at their own residence. The same rules also apply to the ambassadors or embassy staff, representatives or employees of international organizations, and their family members that arrive in or returned to Laos. Investors and businesspeople authorized to conduct business in Laos that will arrive in or return to Laos must take an RT-PCR COVID-19 test and await the result within 48 hours at an approved location. Those who receive a negative result may conduct their business but will be required to wear a wrist monitor for seven days. The same rule applies to foreign nationals who are technical experts, manual laborers, entrepreneurs, students, overseas Lao (of Lao descent), and spouses/dependents of Lao nationals arriving in or returning to Laos from abroad. Group tours that arrive as part of the Green Travel Zone reopening scheme will also be required to test for COVID-19 (RT-PCR) and await the result in an approved hotel within 48 hours before commencing tourism activities. Group tourists will be required to wear a wrist monitor and comply with all COVID-19 prevention measures. All foreign nationals that reside in Laos must download and use the Lao KYC mobile phone application (Lao Su Su service) for the purpose of creating a vaccine ID to be used as digital confirmation of vaccine status. The app will be used to determine one's health status upon entry into government offices, restaurants, shops, and other public areas. The Ministry of Foreign Affairs has now been authorized to issue tourist visas for group tourists traveling to Laos under the Green Travel Zone Scheme, with the condition that all tourists must create vaccine IDs with the Lao KYC app. The government has also given the green light to provincial authorities to work with their counterparts in neighboring countries towards reopening local and traditional border crossings for the transport of goods.
